

PHD, FINANCE

DOCTOR OF FINANCE

APEL.Q THESIS RESEARCH OPTION

The programme focuses intensively on preparing candidates for academic careers and to conduct highly specialised scholarly research, both in theory and application. The focus will be more on the development of new theory in the fields of banking, finance, insurance and stockbroking.

HOW TO SUBMIT YOUR INTENT OF RESEARCH

Your research intent can be submitted through the application form (maximum 1,000 words) or as an email attachment. It should be in the form of a brief description of the specific research area. Some areas may require a more detailed research intent. However, projections can be further negotiated during the admission process.

If you are applying for a predefined project scholarship or a doctoral training centre programme, you do not need to provide a research proposal at the application stage, but the project title have to be stated clearly on the application form.
